

**CLINTON COUNTY JOB AND FAMILY SERVICES  
FOSTER CARE PROGRAM  
POLICY ON HEALTH SERVICES  
(Rule – 5101:2-7-07)**

- A. A foster caregiver shall be responsible for following instructions of the agency which placed the child for providing health care services to each foster child.
- B. A foster caregiver shall administer or supervise the administration of prescription drugs to a foster child only for whom the medication was prescribed and according to the prescribing physician's instruction.
  - 1. Prescription drugs shall be kept in a container, LABELED with the foster child's name, the correct dosage and relevant instructions.
  - 2. Prescribed drugs shall be disposed of in a safe manner when the prescription is no longer current.
  - 3. Any side effects of prescription drugs shall be reported immediately to the prescribing physician and the recommending agency.
