

# Join a Play & Learn group today!

Make a difference for your child tomorrow

The FREE 4C Play & Learn experience helps parents or relatives, friends and neighbors who care for children to promote healthy development and learning

Children—birth to age 5 not enrolled in preschool or child care—who participate in the 4C Play & Learn sessions have the opportunity to learn and explore through play, setting a foundation for continued learning through school and life.

During the sessions, parents and caregivers:

- join in the activities
- learn more about their role in preparing children for school
- discover how children learn through play
- learn what to expect of children of different ages

Participants also receive FREE activities and materials to take home to extend the learning and the fun!

Help further your child's healthy development today by joining a 4C Play & Learn group—it can make all the difference in your child's life tomorrow!

## Wilmington Play & Learn sessions

**Date:** The second and fourth Tuesday of each month

**Time:** 10:30 a.m.–12 p.m.

**Location:** Wilmington Public Library  
Lower Level Meeting Room  
268 N. South St.  
Wilmington, OH 45177

### Have Questions? Ready to Register?

Contact 4C Parent Services:
