Agritourism Declaration

The purpose of the Clinton County Zoning Resolution and the Ohio Building Code are to promote, protect, and provide for the minimum safety standards of residential and non-residential structures and lands throughout Clinton County. Pursuant to Ohio Revised Code 303.21(A, 4) the use of land for Agritourism, the county may regulate such factors pertaining to agritourism, as size of a structure used primarily for agritourism, size of parking areas that may be required, setback building lines for structures used primarily for agritourism, and egress or ingress where such regulation is necessary to protect public health and safety. Providers shall post signs that contain the warning notice specified in ORC 901.80 (D).

I herein claim the Agritourism use based on the following information:

Owner Name _____

Address _____

Site Address _____

Parcel ID _____

Agriculture Use on Property _____

Email _____ Phone _____

Township _____ Acreage (10 ac min) _____

Building Size _____ Site Map/Plot Plan Attached Yes No

I understand that this Agritourism Declaration from the Clinton County Zoning Resolution applies only to buildings or structures used for agricultural purposes as described in O.R.C. § 303.21. I understand that any material use of the building or structure for non-agricultural purposes will void this exemption. I understand that changing to a non-qualified use in the future will void this exemption. I understand that if the use is voided or lost, then full compliance with all building and zoning regulations including payment of fees will be required.
