

Clinton County Electric Aggregation Information

Residential customers participating in the county electric aggregation program will receive notices regarding Dynegey's recent acquisition of Energy Harbor.

No action is needed on your part when you receive the notices.

Your current Aggregation price of \$0.0657 is not changing. And the term is from 12/2023- 12/2025 is the same.

To be clear, even though there is a new energy supplier, your electricity service will remain uninterrupted, and your aggregation rate will remain the same.

If you have any questions, please contact Dynegey at 844-351-7691, Monday through Friday, 7:00 a.m. to 11:00 p.m.
