Camery.Erin@ClintonCountyOhio.us

Jeff Walls, Coordinator  
Walls.Jeff@ClintonCountyOhio.us

Hi! We at the Clinton County Solid Waste Management District would like to let you know about the informational recycling and environmental programs that we offer to adult and youth groups (church groups, 4-H, Boy Scouts, Girl Scouts, garden clubs, and other civic clubs). Our **free** presentations focus on the proper recyclables accepted as part of our residential drop-off program — right here in Clinton County — always accurate and up-to-date. This program can be presented at your normal meeting place, at your regularly scheduled meeting time. If you have another environmental topic you would like discussed, please let us know; we will come up with a program to cover the topic.

In addition to conducting recycling presentations for classrooms and youth and adult groups throughout the county, we are also *the* source for information on where and how to recycle or dispose of just about any item you may have.

Please email either of us or call our office at **382-6177** to schedule a presentation. Presentation times fill up quickly, so contact us at your earliest convenience.

## Adult & Youth Presentations

★★  
★ Is your civic group looking for a service ★  
★ project? Why not consider doing a litter ★  
★ cleanup at your public park! The District ★  
★ has special Litter Cleanup Kits available to ★  
★ those individuals or groups interested in ★  
★ keeping our public grounds free of debris. ★  
★ Included in each kit are cloth jersey gloves, ★  
★ latex gloves, litter bags, a first-aid kit, and ★  
★ vests for crew leaders. The kits are free to ★  
★ use and can be reserved by contacting the ★  
★ SWMD at 382-6177. ★  
★
