Each year The Clinton County Solid Waste Management District sponsors a county-wide litter pickup campaign. We are encouraging groups to sign up to clean up any public area in Clinton County (roadsides, waterways, village streets, parks, school grounds, etc.). Your group selects the public area and date to clean the area, and we will provide you with trash bags, vests and any other supplies needed for the cleanup. All groups must pre-register for this service-oriented project by contacting the Solid Waste District.
